

OTTAWA COUNTY ENGINEER'S OFFICE

CURTAIN DRAIN OUTLET PERMIT

I, _____, am requesting the Ottawa County Engineer's Office grant
(Property Owner Name)

permission to use the ditch or tile on the _____ side of _____
(N,S,E,W) (Road Name and Number)

for the purpose of a drainage outlet as per the attached site plan prepared by or for the Ottawa County Health Department. I am planning to _____ a sewage disposal system
(construct, replace, repair)

at _____, _____, _____ and must have
(Property Address) (Township) (Section, Town, Range)

your permission to outlet a curtain drain for the proposed sewage system. This drainage outlet may have roof water and sump water included in it.

In accordance with the Ottawa County Commissioners Resolution No. 97-03 dated January 2, 1997, any person desiring to install a conduit or excavate along any County or Township Highway shall be required to obtain a permit from the Ottawa County Engineer for said installation or excavation. The acceptance of this permit will constitute an agreement between the permittee and Ottawa County, and that Ottawa County and the Township shall be held harmless and free from any claims for damages as a result of installation of said conduit or other work associated with this permit.
